

ACKNOWLEDGEMENTS

The *Region "K" Water Supply Plan for the Lower Colorado Regional Water Planning Group* was prepared under the guidance and direction of the Regional Water Planning Group, chaired by Mr. John Burke, General Manager of Aqua Water Supply Corporation. This plan was also developed with input from the Policy Committee, chaired by Mr. Mark Smith; the Irrigation Focus Group, co-chaired by Mr. Haskell Simon and Mr. Ronald Gertson; the Unique Stream Segment /Reservoir Site Committee, chaired by Mr. Jim Barho; the Public Involvement Committee, chaired by Ms. Dede Armentrout; and, the Finance Committee, chaired by Mr. Steve Balas. Dr. Quentin Martin, P.E., and Dr. Jobaid Kabir, P.E. provided technical assistance and served as Project Managers between the contracting agency (Lower Colorado River Authority) and the funding agency (Texas Water Development Board); the project was managed by Mr. David Meeseey (TWDB), and the Consultant Team.

Special thanks are extended to the following groups for providing financial assistance and the service of their staff, facilities, and resources in helping develop the plan and providing information and support to the Regional Planning Group: all the members of the Lower Colorado Regional Water Planning Group (Region K), Aqua Water Supply, and Ms. Cynthia Braendle (Administrative Coordinator); Ms. Teresa Lutes from the City of Austin (COA) Water and Wastewater Utility and the Regional Water Planning Group Recording Secretary, Mr. Dan Strub, from the COA Water Conservation Department; the Lower Colorado River Authority's Mr. Joe Beal (General Manager), Mr. Paul Thornhill (WaterCo Manager), and Mr. Randy Goss, and the LCRA McKinney Roughs staff in Bastrop; the Barton Springs / Edwards Aquifer Conservation District's General Manager, Dr. Stovy Bowlin, AICP; and, the Hill Country Underground Water Conservation District's General Manager, Mr. Paul Tybor.

Consultants to the Regional Planning Group providing assistance with the development of Lower Colorado Regional Water Supply Plan included Mr. Steven J. Coonan, P.E., of Alan Plummer Associates, Inc; Dr. Robert F. Adams, P.E., of CH2M Hill; Ms. Elaine J. Jones, Principal, Strategic Communications; Dr. Milton L. Holloway, Principal, Resource Economics, Inc. The Turner Collie & Braden, Inc. team served as the lead consultant for the project: Mr. Bill E. Couch, AICP, Project Manager; Ms. Connie McConnell Hinojos, Graduate Engineer; Mr. James P. Rizk, Graduate Engineer; Mr. Ed Copeland, GIS Specialist; Mr. Mark Lowry, P.E.; and, Mr. Alan Potok, P.E., Senior Vice President and Principal in Charge. (Water Resources Planning Division, Austin Texas; TC&B Project No. 37-40165-001).

LCRWPG ADOPTED PLAN

A very special thanks and notice of appreciation is extended to all the Regional Planning Group Members for the thousands of volunteer hours, and their willingness to serve the Lower Colorado Region as representatives of not only the region, but also of the varied and diverse interests of citizens and residents of the region and the State of Texas.
